Journal of Computers in Education

Editor-in-Chief: R. Huang; G.-J. Hwang; S.-C. Kong; W. Chen

► **The official journal of the Global Chinese Society for Computers in Education**
► **Focuses on research in technology-enhanced education and ways of transforming learning**
► **Communicates Chinese perspectives on theory and applications in technology enhanced learning**

JCE is an interdisciplinary forum for communication of perspectives among researchers, practitioner, and policy makers on theories and practices in technology enhanced learning. The journal aims at making an impact on educational practices and thus to transform learning. The journal publishes up-to-date research and experiences in information communication technologies (ICT) in learning and education.
